Dear Sir:

At this moment I do not have a Harding catalogue therefore I do not know your name. I am, however, deeply interested in having you know of several boys now playing on the football team at Central High School, Cookeville. Six of the starting eleven are members of this congregation and several of them are college material in my estimation. I plan later if you are interested to send a film of one of the games.

Would you please send me a complete schedule of your 1963 games? I hope to be able to bring these boys to the campus and possibly to see a game nearest to us. Enclosed you will find a list of boys who are possible Harding students and football players.

Faternally yours,

John Allen Chalk
